Certificate of Research Stay

Herein I, Dr. Alain Abran, state that the student Rosa Leonor Ulloa Cazarez has attended this institution in Montréal (Canada) from July 20, 2015 to August 20, 2015.

During the period of the research stay different research activities were conducted in order to advance the conclusion of two documents: a scientific paper and the doctoral thesis. These activities are:

- Three review meetings were held at the following dates:
 - July 21, 2015
 - July 28, 2015
 - August 20, 2015
- Invited Talk to doctoral students and professors about the student research topic
 - August 13, 2015

As for the progress achieved, advances were made in developing a full-length journal scientific article in 90% whereas the drafting of the doctoral thesis was advanced in 40 %

This extends for the purposes agreed by the interested party.

A handwritten signature in blue ink, appearing to read 'Alain Abran', is written over a faint, larger version of the same signature.
